DRAFT

MINUTES OF THE STUDY SESSION OF THE TOWN COUNCIL OF THE TOWN OF CHINO VALLEY

**THURSDAY, MAY 15, 2014
6:00 P.M.**

The Town Council of the Town of Chino Valley, Arizona, met for a Study Session in the Chino Valley Council Chambers, located at 202 N. State Route 89, Chino Valley, Arizona, on Thursday, May 15, 2014.

Present: Mayor Chris Marley; Vice-Mayor Darryl Croft; Councilmember Mike Best; Councilmember Linda Hatch; Councilmember Pat McKee; Councilmember Lon Turner; Councilmember Don Wojcik

Staff Present: Town Manager Robert Smith; Finance Director Joe Duffy; Town Clerk Assistant Liz Hart (recorder)

1) CALL TO ORDER; ROLL CALL

Mayor Marley called the meeting to order 6:03 p.m.

2) Presentation and review of the Tentative Annual Budget ending fiscal year June, 2015 (J Duffy)

Finance Director Joe Duffy reviewed the tentative annual budget.

- *Budget elements added for FY 2014/2015:* Staff added changes and recommendations from Government Finance Officers Association, interfund transfer summary, employee benefits by fund schedule, more information to grade and step plan, per capita community comparisons, and unfunded capital.
- *Items completed since preliminary budget:* Staff completed the town manager's budget message, strategic goals, Community Profile update, budget format tutorial update, and community comparisons; added State budget forms to budget book and accounting software; and intended to add the Strategic Plan as an appendix upon Council's adoption.
- *Line items added since preliminary budget:* Animal control uniforms, Municipal Court salary adjustment, Climatec Lease, UDO update, and additional HURF revenues.
- *Budget highlights:* A balanced budget, third phase of compensation and classification study, equipment acquisition and replacement/lease purchase program, bond project, and a significant amount of grants.
- *Total budget FY 2013/2014 and FY 2014/2015 comparison:*

	BUDGET FY 13/14	BUDGET FY 14/15
General Fund	\$7,402,230	\$7,854,300
Special Revenue Funds (HURF/Grants/etc.)	\$1,758,456	\$5,013,350

Debt Service Fund	\$590,620	\$741,932
Capital Projects Fund	\$4,700,000	\$13,889,578
Enterprise Fund	<u>\$2,317,960</u>	<u>\$2,467,614</u>
Total Budget	\$16,769,266	\$29,966,774

Council asked for details about “contributions and miscellaneous” as compared to other communities. Mr. Duffy related that he had moved donations and contributions to the Library and Animal Control into the Grants Fund, and “miscellaneous” was a catch-all from the state budget forms that varied from community to community. He would insert a chart to help clarify this.

Mayor Marley asked Mr. Duffy to provide a certain document to Council depicting the cost of government per capita per community.

- 3) General discussion recapping the bond committee’s work, the bond structure, and development of a list of items to research and bring back to Council.

Mr. Smith reviewed several topics related to the proposed bond.

Bond process schedule: Staff was developing a GANTT chart for the bond approval process, which also included formative projects happening during the same timeframe to demonstrate how the bond issue fit with those projects.

Financial challenges: Economists were predicting that economic recovery would continue until about 2019-2020, at which point another downturn will occur. Should the bonds be approved, the Town would not see any formative changes in tax receipts in the general fund until around mid-2018 to mid-2019. As the Town had no money for capital right now, its biggest financial challenge was how to fund roads improvements until 2019.

Roads replacement/maintenance: Roads maintenance and replacement, which were on a 10-year maintenance schedule, had been deferred since 2008, and were now \$8 million and 81 miles behind schedule. If the Town could invest in roads now, it might be able to forestall a wave of infrastructure failure. Staff had included some capital funds in the FY 2014/2015 budget for road repairs and desired to use all HURF funds for repairs now.

How the bond could help:

- Acquiring Prescott’s water distribution system will eliminate the general fund subsidy of \$300,000 to the water utility fund.
- Settling the Fann agreement will allow the Town to save \$150,000 to \$175,000 per year.
- New infrastructure on SR 89 will create retail sales tax growth from more business development.
- The above funds could be put toward road repair.

Other benefits of the bond would:

- Add 750 water accounts and reduce 100 accounts’ bills by 45%.
- Triple fire protection geographically and add one well.
- Freeze utility rates for five years across 2,500 accounts.
- Increase water quality through looping and removal of arsenic.
- Provide water and sewer along SR 89 from Road 3 North to Road 2 North.
- Encourage economic development and new retail choices by providing a lower price to connect

to water on the south end of Town and more opportunities to get water and Sewer on the north end.

- Reset the financial structure of utilities, allowing them to grow.
- Grow sewer collection to recharge and bank water credits for the Town's future.

Bond costs to property owners: \$10 per month per \$100,000 assessed valuation for residential property, and 18% for commercial.

Mr. Smith reviewed several maps depicting the Town's water and sewer system, Prescott's water system, and the interconnect areas to tie in the two systems; the Wilhoit water system area, new well site, and proposed water and sewer extension along SR 89; and the net impact by neighborhood of the proposed bond structure in savings per month per area. The maps also depicted the current SR 89 widening projects and ADOT's roundabout projects on Road 4 North and Perkinsville Road at SR 89; the Town's Road 1 East and Road 4 South extensions, Center Street improvements, and the Peavine Trail Loop; and proposed grant work, Old Home Manor (OHM) industrial park and infrastructure, and proposed alternate way in and out of OHM.

Mr. Smith continued his review of the proposed bond.

Bond structure as presented to the Bond Committee:

- \$3.1 million to acquire Prescott water system.
- \$1.1 million to connect Prescott's system to the Town's system.
- \$3.0 million to settle the Construction Manager At Risk agreement with Fann contracting for the wastewater treatment plant.
- \$6.2 million for water and sewer extensions on SR 89 from Road 2 North to Road 3 North.

Bonding levels: Assessed values of Chino Valley property today were at a 2005-2006 level, and as these were projected to increase, basing the bond on these levels within the state bonding guidelines provided the most conservative package.

Water Infrastructure Finance Authority (WIFA) assistance: WIFA had declared the Town as a distressed community, which may result in a financial advantage for borrowing money from them with lower than average interest rates. The Town also qualified for some forgivable principal for both water and sewer, pending WIFA's review of the Town's application. Staff proposed to submit the application now and get preliminary approval in order to let the voters know the outcome.

Comparisons of the two bonding options and doing nothing for a property with assessed value (AV) of \$100,000:

- *GO bond v. revenue bond:* A property owner on Town utilities in 2014 will pay \$10 more per month than a revenue bond, but in 2018 will save \$9. A Prescott water customer will save \$10 in 2014 and \$15 in 2018.
- *GO bond v. doing nothing:* The property owner on Town utilities in 2014 will spend \$10 more per month than doing nothing, but by 2018 will save \$14. A Prescott water customer will save \$10 in 2014 and \$15 in 2018.
- *Revenue bond v. GO bond benefits:*

	REVENUE BOND	GO BOND
Prescott & Wilhoit Water Acquisition	Rate increases continue	No rate increases
	No money left for roads or CIP	Money left for roads AND CIP

	Utilities barely stand on own; no grow	Utilities have capital to extend/grow
	User base/account can't grow	User base/accounts can grow
	Effluent recharge is static	Effluent recharge continues to grow
Fann O&M termination and wastewater treatment plant buyout	Ends profit to private entity (savings)	Ends profit to private entity (savings)
	Connection fees will go to town	Connection fees will go to town
Water/Sewer extension on SR 89	No recurring capital for continued extension	Creates recurring capital for continued extension
	Limited economic development	Sustained economic development
	Will not create enough future sales tax revenues	Continuing growth in sales tax revenues
Participants	Only those connected to water and sewer	All owners of property in Town

Council asked about the lack of development on the Fletcher commercial subdivision, next steps, and connection fees. Mr. Smith reported that:

- *Fletcher development*: Prescott had forced that development to develop its own water system, which hindered development, as businesses would not tie in to a private water system. If the Town purchased Prescott's water, the Town would then own the master line. Staff was not proposing to extend infrastructure to this development at this time, as its economic development advisors had advised to develop the densest retail area first.
- *Next steps*: Staff needed to get more detailed analyses and comparisons to Council regarding revenue bonds, GO bonds, and taking no action; bond counsel will draft language for the voter information pamphlet and bring it to Council for review; staff will need to complete the economic development plan before July; and Council will need to examine and/or evaluate connection fees.
- *Connection fees*: Staff will research options for connection fees, wells, and yard lines, and bring them to Council.

Council asked staff to provide copies of all related materials and maps to them and to check with bond counsel about using bond fund money for waiving connection fees once the Fann buyout was complete.

4) ADJOURNMENT

MOVED by Councilmember Linda Hatch, seconded by Councilmember Pat McKee to adjourn the meeting at 7:24 p.m.

AGENDA ITEM TITLE:

Consideration and possible action to waive Town fees for the Territorial Days activities for the Lions and the Lionesses.

RECOMMENDED ACTION:

Move to waive Town fees that normally would be paid by the Lions or Lionesses for activities they perform on Territorial Days.

SITUATION AND ANALYSIS:

The Town used to be a sponsor of Chino Valley's Territorial Days, which includes a parade and activities at Memory Park.

The activities include a festival type environment as well as some craft vendors from our local community. Due to financial constraints, and lack of staffing, the Town has not sponsored this activity for several years, but the Chino Valley Lions and Lionesses have adopted this event for our community. The event will occur on August 30th and they will use Memory Park.

Although this doesn't cost the Town any funds, we are asking to waive the park rental fee and the vendor fee for the crafts people, so there is a loss of revenue but a gain of goodwill.

Situation & Analysis
Election Services IGA

Agenda Item Staff Report SITUATION & ANALYSIS

Issue Statement

Brief narrative description of the issue at hand, including information about the problem or reason why Council involvement is required, why the item is now suitable for Council consideration and requires Council action for the item to move forward.

On July 8, 2014, Council approved an Intergovernmental Agreement (IGA) for Election Services with Yavapai County. Subsequently, County officials realized that there was an error on page 4, section 7 related to automatic renewals of the IGA after the initial term. The correction needed is as follows:

7. Term of Agreement. The initial term of this Agreement shall expire on December 31, 2015. Thereafter, the Agreement shall be automatically renewed for successive ~~two~~ ONE-year terms and shall continue in full force and effect until terminated as provided herein.

As Council had previously approved and executed the IGA with the error, Council now needed to approve the corrected document.

Applicable “Policy”

Bulleted list, by section number and title, of the statute, code, plan, policy, goal, initiative, etc. relevant to the issue that must be satisfied in order to resolve the issue. A brief summary of the “policy” section(s) may be included if there are multiple issues or details that need to be covered.

- N/A

Satisfaction of “Policy”

Bulleted list, by section number and title, of the above relevant “policies,” with a narrative explaining how each of them were/will be met or satisfied.

- N/A

Summary of Issues and Staff Rationale

Narrative explaining the issue at hand and how/why the staff proposed solution(s) are best for the Town. This may include more than one resolution or solution/alternative for Council to consider.

As the Town has already called an election for November 4, 2014, the IGA needs to be executed for the County to perform the services called for in the agreement. As the Town had already approved the agreement, the County has agreed to provide election services to meet the August 6th ballot and pamphlet language election deadlines, even though they will occur before the corrected agreement is approved on August 12.

Findings of Fact

Bulleted list of staff findings that support the determination that the proposed resolution is the best solution for the Town.

- The IGA approved on July 8 is in error.
- A corrected IGA must be approved for the County to provide election services needed for the November 4 election.

THIS AGREEMENT, by and between the YAVAPAI COUNTY BOARD OF SUPERVISORS and the YAVAPAI COUNTY RECORDER (collectively the “COUNTY”) and _____, (the “JURISDICTION”).

WHEREAS, pursuant to A.R.S. §§11-952, 15-302(A)(7) and (8), 16-205(C), 16-225, or 16-408(D), the governing body of any election district authorized to conduct an election may enter into an agreement with a County Board of Supervisors and County Recorder for election services with the contracted cost of such election to be a charge against the election district; and

WHEREAS, the COUNTY is willing to provide election services to election districts wishing to conduct vote-by-mail elections, but, with the exception of state primary and general elections, will not provide election services to districts wishing to conduct vote center elections unless a vote center election is expressly required by state or federal statute; and

WHEREAS, the JURISDICTION wishes to enter into an agreement with the COUNTY for the provision of elections services subject to the terms and conditions set forth herein,

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. **Provision of Election Services.** The COUNTY hereby agrees to provide election services to the JURISDICTION for all consolidated election dates set forth by A.R.S. §16-204 during the effective term of this Agreement. Services to be provided by the COUNTY, and those that remain the responsibility of the JURISDICTION, are set forth in the Elections Task Schedule attached to this Agreement as Exhibit 1.
2. **Limitation on Eligible Elections.** It is understood and agreed that the services to be provided pursuant to this Agreement shall be provided exclusively for vote-by-mail elections with the exception of state primary and general elections and elections expressly required by state or federal statute to be conducted at vote centers. It shall be the responsibility of the JURISDICTION to establish the legal basis for a requirement that an election is required by state or federal statute to be conducted at vote centers. The COUNTY may, in its sole discretion, decline to provide services for any election that it concludes is not required to be conducted at vote centers. The COUNTY will not provide services for exclusively vote-by-mail elections during the state primary and general elections.
3. **Special Taxing Districts.** As provided in A.R.S. §§48-802(D)(4), 48-1012(E), 48-1082(E), 48-1092(E), 48-1908(C), and 48-2010(A), if the number of candidates is less than or equal to the number of vacancies, the Yavapai County Board of Supervisors may cancel the election for the position and appoint the person(s) who filed the nominating petition(s) to fill the position(s).

4. Compensation.

- a. **Fees.** The JURISDICTION shall compensate the COUNTY for election services provided pursuant to this Agreement in accordance with the fees set forth in the most current fiscal year Election/Voter Registration section of the Yavapai County Special Districts Fee Schedule posted online at www.yavapai.us. The fee schedule is for base services only. Any additional services required by the JURISDICTION will result in additional charges. Additional services include, but are not limited to, the following: hand count audit, court preparation, court appearances, supplemental mailings, recounts, or any service which will cause the COUNTY to incur increased costs or expenses. In the event that additional services are requested, the JURISDICTION should refer to unit and hourly pricing information as set forth on the fee schedule. The COUNTY reserves the right to adjust election service fees annually or otherwise at any time during the effective term of this Agreement notice of which will be posted on the COUNTY's website. Revised schedules will supersede prior schedules and be incorporated into this Agreement in effect at the time of revision.
- b. **Late Fees.** Payment for all costs associated with the provision of services pursuant to this Agreement shall be made in full no later than 30 days following the date of the election. In the event that the required payment is not made by the due date deadline specified herein, the COUNTY shall impose a late charge of 2% of the unpaid balance for each 30-day period or portion thereof following the specified deadline for which any portion of the required payment, including unpaid late charges, remains unpaid.
- c. **Termination.** Failure to make payments as required by this Section shall be deemed a material breach of this Agreement and shall be grounds for termination of this Agreement pursuant to Section 8 of this Agreement.

- 5. **Discounts.** The COUNTY has established a discounted fee rate for JURISDICTIONS that provide assistance, meeting sites free of charge or rent, or other services for COUNTY-administered elections.

- ☐ The JURISDICTION has elected to decline to receive discounted rates for providing assistance, meeting sites free of charge or rent, or other services.
- ☐ The JURISDICTION has elected to receive these discounted rates subject to the terms and conditions set forth herein and will provide the two services indicated below.

- a. **Services the JURISDICTION Will Provide.** The JURISDICTION and the COUNTY agree that the following two checked services will be provided by the JURISDICTION as consideration for the COUNTY's provision of election services at the discounted rates as set forth in the Special Districts Fee Schedule posted online at www.yavapai.us.

7. **Term of Agreement.** The initial term of this Agreement shall expire on December 31, 2015. Thereafter, the Agreement shall be automatically renewed for successive one-year terms and shall continue in full force and effect until terminated as provided herein.
8. **Termination**
 - a. **Unilateral Termination.** This Agreement may be terminated by either Party upon 30 days written notice to the other Party of intent to terminate, provided, however, that the Agreement may not be unilaterally terminated by either party within 90 days of the date of an election for which the COUNTY would otherwise be providing services pursuant to this Agreement.
 - b. **Termination by Mutual Agreement.** This Agreement may be terminated at any time by mutual agreement of the Parties.
 - c. **Termination for Breach.** In the event of a breach of any term or condition of this agreement, the Party claiming breach shall provide written notice to the other Party specifying the factual basis for the claim that a breach has occurred. 9. **Conflict of Interest.** This Agreement is subject to the cancellation provisions of A.R.S. §38-511.
10. **Non-Discrimination.** The Parties shall comply with Executive Order 2009-09, which mandates that all persons, regardless of race, color, religion, sex, age, national origin or political affiliation, shall have equal access to employment opportunities, and all other applicable State and Federal employment laws, rules and regulations, including the Americans with Disabilities Act. The Parties shall take affirmative action to ensure that

applicants for employment and employees are not discriminated against due to race, creed, color, religion, sex, national origin, or disability.

- 11. E-Verify; Government Procurement.** The Parties are required to comply with A.R.S. §41-4401, and hereby warrants that they will, at all times during the term of this Agreement, comply with all federal immigration laws applicable to the employment of their respective employees, the requirements of A.R.S. §41-4401, and with the e-verification requirements of A.R.S. §23-214(A) (together the “state and federal immigration laws”). The Parties further agree to ensure that each subcontractor that performs any work under this Agreement likewise complies with the state and federal immigration laws.

A breach of a warranty regarding compliance with the state and federal immigration laws shall be deemed a material breach of the Agreement and the party who breaches may be subject to penalties up to and including termination of the Agreement.

The Parties retain the legal right to inspect the papers of any contractor or subcontract employee working under the terms of the Agreement to ensure that the other party is complying with the warranties regarding compliance with the state and federal immigration laws.

- 12. Worker’s Compensation.** For purposes of workers’ compensation, an employee of a party to this Agreement, who works under the jurisdiction or control of, or who works within the jurisdictional boundaries of another party pursuant to this specific intergovernmental agreement, is deemed to be an employee of both the party who is his primary employer and the party under whose jurisdiction or control or within whose jurisdictional boundaries he is then working, as provided in A.R.S. §23-1022(D). The primary employer party of such employee shall be solely liable for payment of workers’ compensation benefits for the purposes of this section. Each party herein shall comply with the provisions of A.R.S. §23-1022(E) by posting the public notice required.

The obligations under this Paragraph shall survive the termination of this Agreement.

RECOMMENDED ACTION:

Approve an Accountability Contract between the Town and the Chino Valley Area Chamber of Commerce in the amount of \$45,000.

SITUATION AND ANALYSIS:

The Chino Valley Chamber of Commerce has employed a new President & CEO who, under the guidance of a new strategic plan that the Chamber Board has developed, is making tangible progress in improving the Town of Chino Valley's business environment. The standing agreement between the Town and the Chamber has been revised, and consideration of the terms in the agreement are timely with the Chamber's new interests and directions for local business development and support. The Town of Chino Valley Development Services Department has also been focusing on local business support and development, and is working in partnership with the Chamber on several items to bring additional supportive resources to local business developers in our community.

The contract draft proposed has been created through a cooperative process between Town of Chino Valley staff and the Chamber's Board and President. The proposal outlines a set of specific objectives and deliverables, as well as regular reporting that would be expected from the Chamber, and requests a set amount of consideration for that suite of services.

As the Town of Chino Valley begins to encounter sustained recovery from the recent economic downturn, it has the opportunity to engage and take advantage of several local and regional resources to support local businesses and grow the local economy. The Chamber of Commerce is one of those resources and can serve as a force multiplier for the Town's economic development efforts. Staff has identified several mechanisms by which the Town and Chamber can cooperatively work together to secure business and economic development improvements for the Community -- several of which are

highlighted in the proposal presented herein.

Chamber President Tracie Schimikowsky will present information on the Chamber's work this past year, as well as the proposed agreement with the Town for services as well as Platinum Membership.

Staff Report - SLID Tax Levy

Resolution 14-1044 SLID Tax Levy & Assessment

Situation and Analysis: Resolution 14-1044, Levying and Assessing an ad valorem tax on the real and personal property located within the boundaries of the Town of Chino Valley Street Lighting Improvement Districts.

Each year, the Town of Chino Valley Street Lighting Improvement Districts are required by Arizona State law to undergo the same budgeting process as municipalities. The final step in that process is for the Town Council to approve a resolution to levy and assess an ad valorem tax on the real and personal properties located within the boundaries of each street lighting improvement district to pay for the annual expenses of those districts. Authorization of this resolution accepts the statements and estimated expenses incurred by each of those districts. Approval of Resolution 14-1044 will levy the tax and direct the County to calculate the rate necessary to raise enough money to pay for the expenses of the district.

RESOLUTION NO. 14-1044

A RESOLUTION OF THE MAYOR AND COMMON COUNCIL OF THE TOWN OF CHINO VALLEY, COUNTY OF YAVAPAI, ARIZONA, ORDERING THAT AN AD VALOREM TAX BE FIXED, LEVIED AND ASSESSED ON THE ASSESSED VALUE OF ALL THE REAL AND PERSONAL PROPERTY WITHIN THE BOUNDARIES OF THE TOWN OF CHINO VALLEY STREET LIGHTING IMPROVEMENT DISTRICTS IN AMOUNTS SPECIFIED IN THE APPROVED STATEMENTS AND ESTIMATES FOR FISCAL YEAR 2014/2015.

WHEREAS, the provisions of A.R.S. § 48-616 require the governing body to levy taxes upon all property in a municipal street lighting improvement district necessary to pay the annual expenses of said districts; and

WHEREAS, the Mayor and Council of the Town of Chino Valley, having adopted annual statements and estimates of expenses of the Chino Valley Street Lighting Improvement Districts as the final budgets for the districts for fiscal year 2014/2015, after a public hearing on the statements and estimates was held on July 22, 2014; and

WHEREAS, the County of Yavapai is the assessing and collecting authority for the Town of Chino Valley, the Town is required to transmit a certified copy of this Resolution to the Assessor and Board of Supervisors of Yavapai County, Arizona by the third Monday in August;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Common Council of the Town of Chino Valley, County of Yavapai, Arizona, that for each street lighting improvement district listed on the Schedule of Estimated Assessments, attached hereto as Exhibit A and incorporated herein, a tax rate sufficient to provide funds for the annual expenses of each street lighting improvement district within the Town of Chino Valley, as listed in the attached Schedule, is hereby levied on all property, both real and personal, within the boundaries of said districts, except such property which is, by law, exempt from taxation. Said levy shall not exceed \$1.20 per \$100 assessed valuation as specified in the column labeled 2014/2015 Levy Request.

BE IT FURTHER RESOLVED that if any section, subsection, sentence, clause, phrase or portion of this Resolution is for any reason held to be invalid or

Situation and Analysis

Agenda Item Staff Report SITUATION & ANALYSIS

Issue Statement

Brief narrative description of the issue at hand, including information about the problem or reason why Council involvement is required, why the item is now suitable for Council consideration and requires Council action for the item to move forward.

The Town is far behind on the maintenance of its surfaced streets because of significant budget cuts to the Highway User Revenue Fund. As a means of trying to bridge the financial gap between the budget constraints and the needs of the transportation system, the Public Works Department purchased a chip spreading machine last year and developed an on call oil contract. The intent of these actions is to perform the chip seal program in-house at a reduced cost in order to surface more roadways.

Town staff recently resurfaced Granada Estates and portions of Road 3 South with the proposed double chip seal covered with a fog seal. With this change in the methods that Town staff are resurfacing its streets, working with oil supplier, it has proven itself to be good product. The minimum chip seal surface will be a double chip. In addition, after the chip seal has had sufficient time to volatilize, a fog seal shall be placed over the final surface with the oil CSS1H.

The 2014-15 chip seal program will reconstruct the Damien Loop area and resurface Road 3 North from Highway 89 to Reed Road along with Road 1 East from Perkinsville Road to Road 4 North. In the spring of 2015, providing that sufficient funds are available, the following streets will be resurfaced under the Town's resurfacing program:

- Road 1 North from Road 1 East to Cactus Wren
- Patsy Court
- Portions of Chino Meadows where significant surface deterioration has occurred
- Reed Road from Road 5 North to Road 4 South

The listed roadways are significantly in excess of the availability of funds. The roadways will be addressed in the order listed until the Town's Road Materials funds are exhausted. The length of the proposed 2014-15 resurfacing program is 3.3 miles.

Summary of Issues and Staff Rationale

Narrative explaining the issue at hand and how/why the staff proposed solution(s) are best for the Town. This may include more than one resolution or solution/alternative for Council to consider.

Town staff proposes to reconstruct under this road resurfacing program Damien Loop, and resurface Road 3 North between Highway 89 and Reed Road, along with Road 1 East from Perkinsville Road to Road 4 North. The 2014-15 budget has \$170,000 budgeted under Road Materials for the 2014-15 Resurfacing program. Staff estimates that the cost to resurface the proposed streets at approximately \$150,000.00. The current stockpile of chips is more than enough to complete the proposed spring chip seal program.

As stated in previous agenda memos the 2013 chip seal program did not result in the desired outcome. Places where a single chip seal was laid did not result in the chips being properly adhered to the roadway. The section of Road 4 North that was double chipped, rather than single chipped, is adhering properly.

The 2014-15 spring resurfacing program will all be double chipped with oil called CRS-2P rather than CRS-2 that was used on 2013 chip seal program. In addition, a fog seal will be placed over the double chip sealed roadway to assure the all surfaces of the chip are properly adhered to the roadway. No single chip seals will be placed again.

Situation and Analysis

Agenda Item Staff Report SITUATION & ANALYSIS

Issue Statement

Brief narrative description of the issue at hand, including information about the problem or reason why Council involvement is required, why the item is now suitable for Council consideration and requires Council action for the item to move forward.

Historically, Council has not held their regularly scheduled second meetings in November and December due to conflicts with holiday schedules. If any items arise needing immediate attention, the mayor is authorized per Town Code to schedule a special meeting on another date. In addition, periodically, the Council's first regular meeting of the November will conflict with the Veterans Day holiday. Such is the case in 2014.

Per Town Code Section 30.065, Council may cancel or reschedule any regular meeting, except that at least one regular meeting in each month must be held. Thus, if Council desires to cancel the November 25 meeting, it must hold its regular meeting (or a rescheduled regular meeting) sometime in November. One issue that Council may want to consider in rescheduling the November 11 meeting concerns the election canvass.

State law requires that Council canvass (accepts the results of) an election within 6-20 days following the election (November 6-24 in 2014). Frequently, the County does not have the official results in time for Council to adopt the canvass at their next meeting and a special meeting must be called for that item alone. With the new changes to consolidated elections, County officials statewide are predicting that election results will take longer than in the past.

Satisfaction of "Policy"

Bulleted list, by section number and title, of the above relevant "policies," with a narrative explaining how each of them were/will be met or satisfied.

- Rescheduling the November 11 meeting will meet the Town Code requirement.

Summary of Issues and Staff Rationale

Narrative explaining the issue at hand and how/why the staff proposed solution(s) are best for the Town. This may include more than one resolution or solution/alternative for Council to consider.

In considering a date for the November meeting, Council may elect to:

- Choose a date as close to November 11 for the regular meeting and be prepared for a possible special meeting before or on the 24th; OR
- Choose a date for the regular meeting closer to the 24th to hopefully avoid the special meeting.
