AGENDA ITEM TITLE:

Consideration and possible discussion regarding a stop sign at Road 2 North and Road 1 East.

SITUATION AND ANALYSIS

Mayor Miller requested the discussion of an all-way stop at Road 2 North and Road 1 East. In 2018, a warrant analysis was performed. An all-way stop sign was warranted based on accident history. In order to update the traffic warrant analysis, new counts would be needed. In addition to traffic concerns, there are several large trees to the west of the intersection which restrict sight distances. One potential issue was discovered during the removal of the power pole at the northwest corner when traffic backed up to Safeway. If the Committee chooses to pursue the all-way stop, staff recommends installing temporary signs and closely monitoring the traffic, especially in the afternoon and evening peak hours.
